CREATOR MEDIA KIT

TOMMY YIPXYZ

I’m Tommy, a freelance developer and YouTube creator. I build with your product live, take questions from chat, and turn the best moments into videos and Shorts.

WORK WITH TOMMY

Most brands choose the Livestream series.

Campaign rates in USD

Dedicated video

$1,250

I take one real use case from idea to finished build in a dedicated YouTube video.

- **1 dedicated YouTube video**
- **7 Shorts from the build**

MOST POPULAR

Livestream series

$3,000

Chat follows the build across several days and asks questions as I work.

- **3–5 days live, 3–5 hours per stream**
- **Typically 3–5 edited videos**
- **10–30 Shorts**

On-site collaboration

On request

I travel to your office and tell the story with the people behind your product.

- **Office visit anywhere in the world**
- **On-location livestream with your team**

BRAND COLLABORATIONS

Hostinger

An AI web agency in five days

I built a WordPress site and a merch shop, set up a VPS, and put an AI sales agent to work. Each day gave viewers another piece of the same agency build.

5 streams · 5 videos · 26 Shorts

Fish Audio

My voice became my live AI co-host

I cloned my voice with Fish Audio and let chat talk to the co-host. We then used the same tools to voice characters and test a multilingual commercial.

5 streams · 5 videos · 19 Shorts

Replit

From client builds to a community hackathon

I've shown how I ship client projects on Replit. Replit also supported our DollarVibeClub hackathon with $2,000 in credits for builders.

38 streams · 10 videos · 8 Shorts

Replit covers Replit-titled content and the supported hackathon. Totals include repeat views and paid promotion.

INSIDE THE HACKATHON

DollarVibeClub · July 2026

Builders from 23 countries joined the July DollarVibeClub event. We followed their progress live, took questions from chat, and came away with 21 submitted projects.
